---

Mark and Steve,

Please see questions below from Scott Taylor. Please let me know how you would recommend answering. HQ is asking for our assistance on this in advance of Gina McCarthy's visit to Cleveland on Wednesday. I am looping in Jennifer and Tammy because they might have more input on the current situation. We may try to offer some ideas to HQ about how to respond, but some of these questions seem to be in HQ's court.

I took a stab at answering the questions but am not sure if these suggested answers are accurate so please feel free to start from scratch.

1. Has the EPA discovered the cause of the Cluster?

Non-Responsive

2. Is the EPA still investigating the cause of the Cluster?

Non-Responsive

3. Has EPA Director McCarthy decided to meet with Parents of the children who have died in the Cluster as they have requested?

Non-Responsive

4. Does Director McCarthy have time on Wednesday to visit with Nonresponsive and Nonresponsive Nonresponsive who's 11 year old daughter Nonresponsive died in the Cluster? Former EPA Director Lisa Jackson promised that she would meet with the Nonresponsive but left Office and never kept that promise to 19 Action News or the Nonresponsive

Non-Responsive

**Subject:** 19 ACTION NEWS-INTERVIEW REQUEST FOR DIRECTOR MCCARTHY

We would like to have 5 minutes to interview on camera EPA Director Gina McCarthy during her visit to Cleveland on Wednesday concerning the on-going Clyde Cancer Cluster in Sandusky County, Ohio

that has killed 7 children and sickened more than 30 kids with cancer. We would like to know the following to these two questions and possibly others:

1. Has the EPA discovered the cause of the Cluster?
2. Is the EPA still investigating the cause of the Cluster?
3. Has EPA Director McCarthy decided to meet with Parents of the children who have died in the Cluster as they have requested?
4. Does Director McCarthy have time on Wednesday to visit with [Nonresponsive] and [Nonresponsive] [Nonresponsive] who's 11 year old daughter [Nonresponsive] died in the Cluster? Former EPA Director Lisa Jackson promised that she would meet with the [Nonresponsive] but left Office and never kept that promise to 19 Action News or the [Nonresponsive]

Thanks!

**Scott Taylor**
